NATIONAL DIGITAL LIBRARY CLUB (NDLI)

National Digital Library of India (NDLI) is a virtual repository of learning resources. It is sponsored and mentored by Ministry of Education, Government of India, through its National Mission on Education through Information and Communication Technology (NMEICT).

Filtered and federated searching is employed to facilitate focused searching so that learners can find the right resource with least effort and in minimum time.

NDLI provides user group-specific services such as Examination Preparatory for School and College students and job aspirants.

Services for Researchers and general learners are also provided.

NDLI is designed to hold content of any language and provides interface support for 10 most widely used Indian languages

It is developed, operated and maintained from Indian Institute of Technology Kharagpur.

NDLI meets India's complex mix of learning needs spanning from multiple languages, geographies, socio-economic groups to multiple streams and levels of proficiency, through a single-source multi-access knowledge repository.

It is a virtual teaching-learning-evaluation-knowledge discovery and innovation platform to encourage collaborative, personalized, self-paced, new-age multi-media education at all levels.

NDLI Clubs enable learners to effectively use NDLI throughout their journey of education while motivating them to contribute actively towards a national knowledge trove.
